Description: Nestled among the White Mountains of New Hampshire, Attitash Mountain Resort offers Mount Washington Valley's only two-mountain ski experience. Attitash and Bear Peak feature 310 acres of diverse terrain to satisfy the entire family. Skiers and snowboarders will find that our advanced snowmaking systems consistently create perfectly groomed cruisers, wide novice trails, steep expert terrain, and progressive terrain parks. Wildcat Mountain is the iconic New England ski area with over 200" of natural annual snowfall and continued advanced snowmaking upgrades. The Wildcat Express whisks skiers to the 4'000' summit in six minutes, and provides access to the greater vertical, long ski trails and the best scenery in the East. The experienced staff of ski instructors at either mountain can provide "Lear2" packages for the beginner to the latest techniques for advanced skiers wanting to tune their form.

Attitash, New Hampshire's original summer fun spot, is the home of North America's longest Alpine Slide. Our attractions also include Nor'Easter Mountain Coaster, Waterslides, Eurobungy Trampoline, Climbing Wall, Slacklines, Mountain Biking, Scenic Chair Ride, Airbag Jump, and Horseback rides. A summer visit to Wildcat offers the Gondola ride to the summit for a spectacular view of Mount Washington and the White Mountains, Disc Golf, and the exhilarating ZipRider. Winter or summer, group rates are available. Come visit us!
